WypePaper

Here comes a bigger shit into the ecoshittem.

Token name: Wipes token

Ticker: WYPE

Max supply: 100 WYPE (Capped, 10% is locked in LP, 90% is in WypePool for reward)

Rewarding model: Claimable through Proof of Twin Holding, using the same algorithm of DYPR shitreward.

Qualification: Holding WYPE for at least 24hrs & holding equal amount of DYPR.

Initial liquidity: 10 WYPE + 10 USDC, locked for 75 yrs.
Tax: 3% on Buy, 33% on Sell.

30% of sold amount is placed in Farm Reward Pool. (Farming will be live in July 2022, unlocked staking model with 5% tax on staking/unstaking).
Staking tax will be used to add liquidity for WYPE/USDC pair.

So, let's clean the bigger shit with wipes!
